SOCIALISM: A STUDY

2013. Hardcover. Book Condition: New. 266 When this book was published for the first time in 1962, Shri Jaiprakash Narayan wrote in the introduction that this book, written on such an important subject as socialism by a business tycoon, should be welcomed. By doing this not only the needless waste of the time and energy of the students could be avoided, but at least one-third of the time would be saved in the curricula related to medicine and engineering. But this realisation has not yet dawned on the intelligentsia and educationists of this country. They are all caught up in the delusion of the Knowledge Commission of the Government of India. Although we are unable to contribute any original thought, our educational centres have become the junkyards...
