

Store-Bought Baby (Paperback)

By Sandra Belton

Createspace Independent Publishing Platform, United States, 2015. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book ***** Print on Demand *****. Belton does an admirable job of letting Leah describe her despair and the alienation she feels from her parents, especially her mother, whose own grief makes her seem insensitive to Leah. Readers who have experienced the complex range of emotions brought on by a tragedy of this nature will appreciate Belton's sensitive depiction of loss. Kirkus Reviews When sophomore Leah's beloved older brother, Luce, who was adopted, dies in a car accident, she tries to cope with her overwhelming grief. Did Luce ever want to find his birth parents? Should she look for them? Her best friend and her boyfriend help her carry on, and Dad and her grandma are there for her. Mama, however, is distant. Leah's first-person, present-tense narrative expresses her intense feelings in plain poetic words that express the happy adoptive family story as well as the sorrow, jealous, anger, and love. although there's no neat resolution, and as the book's title makes clear, some people are insensitive and crude when it comes to talking about...

Reviews

Complete guideline for publication fans. I am quite late in start reading this one, but better then never. It is extremely difficult to leave it before concluding, once you begin to read the book.

-- **Llewellyn Terry**

It is not difficult in read through easier to comprehend. It is packed with knowledge and wisdom You may like just how the article writer write this pdf.
