## CLIMATE RESCUE CAPITALISM: USING PRODUCT PROFIT TO FIGHT CLIMATE CHANGE (PAPERBACK)

Createspace, United States, 2014. Paperback. Book Condition: New. 216 x 140 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Just as the world s controlling population won that control by selling goods and services, humanity must use this same means to win back the level of political influence necessary to first winning its battle against them, and then winning the battle against climate change. Humanity must go into business for the sake and interests of humanity, and market products that compete with, and win against, products marketed by today s controlling population. Climate Rescue Capitalism is a powerful vehicle by which business profit within a capitalist economy can be redirected in order to fight climate change. It is a way to direct product profits away from conventional corporations and toward the funding of the scientific, sociological and political initiatives needed to best mitigate and adapt to climate change. As such, it represents a pragmatic coming together of capitalist and socialist perspectives that maximizes the fundamental strengths of these two disparate economic systems, as they relate to climate change. As a strategy, Climate Rescue Capitalism, is deceptively simple but of unparalleled promise. The idea is to create new companies we will call Climate Rescue Corporations that do business in order to finance the fight against climate change. These corporations would be owned and operated by private individuals as well as not-for-profit climate change organizations. They would manufacture products to compete with existing products offered by conventional companies. Consumers would choose Climate Rescue Corporation products over those of their competitors because they would prefer to see the profit from their purchases be used to fight climate change than to further enrich private corporations. This market-based means of increasing humanity s ability to fight climate change is called Climate Rescue...
