

The Book of Fern Culture (Classic Reprint) (Paperback)

Filesize: 2.99 MB

Reviews

A really awesome publication with perfect and lucid reasons. I was able to comprehend every thing using this published e pdf. It is extremely difficult to leave it before concluding, once you begin to read the book.

(Prof. Patsy Blanda)

THE BOOK OF FERN CULTURE (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.Excerpt from The Book of Fern Culture In the following pages on Practical Fern Culture the writer has endeavoured to give brief instructions regarding the requirements of the most popular Ferns, with the aim of assisting those who have had little or no previous experience. It is also hoped that older growers will also find some notes of interest. The writer s experience extends over nearly forty years, during which time he has been more or less associated with Ferns and their culture, and has seen great changes. In addition to having been associated with one of the largest Fern growers for about sixteen years, the writer has gained much experience from visiting other nurseries where Ferns are extensively grown. Ferns, or rather most of them, are no longer regarded as semi-aquatics, to be kept continually moist and under heavy shading and green glass. It has been fully proved in practice that those things are a great abomination. It was before the Kew authorities abolished green glass for the Fern houses that the writer of these pages commenced to condemn its uses, and in the Horticultural press no opportunity has been lost of further depreciating its value. While not wishing to underrate what many excellent authorities have written, it may be found that the instructions given in the following pages appear contradictory to much that has been previously published. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged...
