The Nemidians came after that and stopped for a while, and then they all died of some disease. And then the Firbolgs came, the best men that ever were in Ireland, and they had no law but love, and there was never such peace and plenty in Ireland. What religion had they? None at all. And there was a low-sized race came that worked the land of Ireland a long time; they had their time like the others. Many would tell you Grania slept under the cromlechs, but I don t believe that, and she a king s daughter. And I don t believe she was handsome either. If she was, why would she have run away? In the old time the people had no envy, and they would be writing down the stories and the songs for one another. But they are too venemous now to do that. And as to the people in the towns, they don t care for such things now, they are too corrupted with drink. Goban, The The Goban was the Builder master of sixteen trades. There was no beating him; he had got the gift. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books.
