

## The Body Farm

By Cornwell, Patricia

Berkley Books, U.S.A., 1995. Soft cover. Book Condition: New. 1st Edition. 12mo - over 6¾ - 7¾" tall. Summary: New York Times bestselling author Patricia Cornwell brings back Kay Scarpetta, consulting forensic pathologist for the FBI's Behavioral Science Unit, in her grittiest and most compelling novel. In rural North Carolina, the brutal murder of eleven-year-old Emily Steiner has shaken a small town. But more disturbing are the details of the crimes, chillingly reminiscent of the handiwork of a serial killer who has eluded the unit for years. Into this volatile atmosphere comes Scarpetta's ingenious, rebellious niece Lucy, an FBI intern with a promising future in Quantico's computer engineering facility--until she is accused of a shocking security violation. While coming to terms with Lucy, Kay must conduct a grisly forensic investigation at a clandestine research facility in Tennessee known as the Body Farm. There she will find more answers to Emily Steiner's murder--and evidence that paints a picture of a crime more horrifying than she imagined . .
