Reviews

This book is definitely not easy to get going on reading through but extremely exciting to see. I am quite late in start reading this one, but better then never. I am pleased to explain how here is the finest book i actually have read inside my individual daily life and may be he best book for ever.

It may be well to see exactly what these text-books are: Text Books.--The following is from the preface to a Primer: Much thought has been given to the selection of words which are most profitable for beginners to acquire as a vocabulary. Such have been chosen as are in frequent use in ordinary speech and writing. The child hears others use them every day and uses them himself, and, therefore, knows their meaning. The following is a collection of the most profitable words on one page: Here is what the teacher is expected to do. The following from one of the readers much used illustrates children s literature. We go up. We do go up. We do go up on it. Is he to go up on it? He is to go up if we do. No; he is to do as we do. If it be so, he is to go on. Is he to go up on it so? As we go on, he is to go up. We do go up, up, up, up! Eleven out of twelve First Readers used in this county contained lessons on the Pig. These selections are here given. These books also contained the usual stories about the cat, which animal has for several years been the servant--the handmaid, as it were--of education. 1. This pig is out of his pen. Look at him. See him eat, How fast...
