It was written from 1761 to 1762 and published in 1766. It was one of the most popular and widely read 18th-century novels among Victorians. He is wealthy due to investing an inheritance he received from a deceased relative, and he donates the 34 that his job pays annually to local orphans and war veterans. On the evening of his son George s wedding to wealthy Arabella Wilmot, the Vicar loses all his money through the bankruptcy of his merchant investor who has left town abruptly. The wedding is called off by Arabella s father, who is known for his prudence with money. George, who was educated at Oxford and is old enough to be considered an adult, is sent away to town. A poor and eccentric friend, Mr. Burchell, whom they meet at an inn, rescues Sophia from drowning. She is instantly attracted to him, but her ambitious mother does...
