

## The Healthy Baby: The Care and Feeding of Infants in Sickness and in Health (Classic Reprint) (Paperback)

Filesize: 1.08 MB

### ***Reviews***

*The very best publication i at any time study. It really is basic but shocks inside the fifty percent of the ebook. It is extremely difficult to leave it before concluding, once you begin to read the book.*

***(Marlin Swift)***

## THE HEALTHY BABY: THE CARE AND FEEDING OF INFANTS IN SICKNESS AND IN HEALTH (CLASSIC REPRINT) (PAPERBACK)

Forgotten Books, United States, 2015. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book \*\*\*\*\* Print on Demand \*\*\*\*\*.Excerpt from The Healthy Baby: The Care and Feeding of Infants in Sickness and in Health The author s chief reason for writing this book was to make clear to the mother just how to do best the ordinary everyday things that every mother has to do for her child. He believes that there is a definite need for a book, which will describe in the minutest detail the daily care of the baby. The description or treatment of any but the simplest ailments has purposely been left out, because a book of this sort which attempts in any way to describe diseases, does more harm than it does good. A well-trained physician or a specialist in children s diseases finds it difficult enough at times to diagnose the different affections, and it only confuses the mother or nurse to describe the different diseases to her. The chapter on feeding has purposely been cut down, and all complicated formulas omitted. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
