Brand New Book ***** Print on Demand *****.Fifth-Quarter Faith: Lessons to Learn When the Game is Over focuses on what Coach Eric Littleton characterizes as the teachable moments in sports. In an age of a win-at-all-cost mentality where coaches and parents alike are growing increasingly outrageous in their behavior, Fifth-Quarter Faith redefines our goals and objectives in sports using real-life stories from Coach Eric Littleton's fifteen years of coaching basketball at the high school and college levels. Using biblical stories to draw comparisons to real-life scenarios, parents and coaches alike are challenged to raise the bar in their attitude and conduct as it relates to their children's involvement in sports and other extracurricular activities. Fifth-Quarter Faith is a great tool for church discussion groups and Bible studies, weekend seminars, youth sports league orientations, or just for personal reading.
