The Metamorphoses, by Ovid, is part of the Barnes and Noble Classics series, which offers quality editions at affordable prices to the student and the general reader, including new scholarship, thoughtful design, and pages of carefully crafted extras. Here are some of the remarkable features of Barnes and Noble Classics: All editions are beautifully designed and are printed to superior specifications; some include illustrations of historical interest. Barnes and Noble Classics pulls together a constellation of influences—biographical, historical, and literary—to enrich each reader's understanding of these enduring works. First published in 8 A.
