Createspace Independent Publishing Platform, United States, 2016. Paperback. Book Condition: New. 254 x 203 mm. Language: English . Brand New Book ***** Print on Demand *****.Shut the F*ck Up and Color! This is a coloring book devoted to each and every one of us and to both celebrate and chastise all the f*cking morons out there. The men and women who make your day a little bit worse. Lets collectively take a dump on the hood of their car. With each drawing we want you to do 2 things: 1. Write the name and email address of the POS (Piece of Shit) that inspired your coloring. (If you should choose to take a quick pic of your finished work and put it on Instagram, please add #CurseSwearColoringBook so we can appreciate your work!) 2. A short personal greeting from you to them. Make sure its from the heart. In time, we shall see. But until then, show your support or contempt with your pens, pencils, crayons, markers, or lipstick! This book has been a collaborative effort between artists, designers, and psychologists. This book not only soothes you, but also increases mental stimulation. The pictures and designs may seem random at first glance, but theyre anything but. Our idea with this project was to both inspire you, and increase neuronal activity and stimulation in a way that activates very unique parts of your mind. There are fields of research suggesting that both children and adults who work with coloring books and designs can effectively raise their IQ. So have fun, relax, let the markers and pens do what they will, and hang on for an incredible, mind altering ride! We hope to give the designer (you) a very introspective and mind expanding experience. To help you bring your full art and...
