In the 5 elements of existing, stephanie roberts starts her escapade in the center of pain and guides her sacred friend and readers into the realm of revelation, purpose, and power. Once you begin this voyage through the heart, it will be a challenge to stop reading. Stephanie assures her readers that the 5 elements of existing will pierce you and carve out God s original purpose for your existence. This is the sounding of the trumpet to a generation. A call to those who hunger to know who they are and what they have been purposed to do through the consciousness of the following five elements, Element One: My Identity, who I am in Christ, and his original intent for my identity before the foundations of the world; Element Two: My Power, which is the Word of God; Element Three: My Dominion, which is my authority, and my areas of rule; Element Four: My Keys, principles which open or close doors to atmospheres, realms, and dimensions; Element Five: My Tools, which are a combination of skills, talents, and the spiritual gifts I was equipped with before the foundations of the earth. These five elements that make up my existence in Christ serve only one purpose to reveal the majesty and glory of God.
