Reviews

Basically no phrases to spell out. It is actually rally interesting throgh studying time. You can expect to like just how the article writer create this publication.

(Braden Leannon)

THE MAHABHARATHA: A CHILD'S VIEW

Tara Books. Paperback. Book Condition: new. BRAND NEW, The Mahabharatha: A Child's View, Samhita Arni, The Mahabharatha, a great Indian epic, is a compelling chronicle of ambition and destruction. Samhita Arni's re-telling - written when she was just twelve years old - is bold and unorthodox in its depiction of characters, and in the sharply critical tone it adopts towards the epic's main theme: war. Illustrated with charming and intricate line drawings, this book offers a fresh and accessible perspective on this timeless myth. Originally published in the UK as two separate volumes, the book is now available as single combined edition.
