## CONFESSIONS OF A TEA LEAF READER

Tanya Lester. Paperback. Book Condition: New. Paperback. 152 pages. Dimensions: 8.3in. x 5.5in. x 0.6in. In *Confessions of a Tea Leaf Reader*, Tanya Lester takes you within the fascinating life of a tea leaf reader (an intuitive reader who uses tea leaf reading as her tool). She writes about this divination art in which she asks her clientseeker to drink a cup of loose leaf tea and then looks for pictures or images in the loose leaf tea that remains on the sides and bottom of the cup. This is how her intuition opens up and she then tells the clientseeker about what is coming up in his or her future. Drawing upon some of the 1000s of readings she has done, Lester describes some of the most interesting and even startling readings over the last 15 years. Murder, illicit affairs, close calls with accidental death, job firings, educational ambitions, cancer, property disputes, childhood abuse, major life changes, relationship matchmaking, real estate issues, travel and worldwide moves, pregnancy and midwifery, police matters, growth and human development, reading for children, different art forms and almost everything under the sun are discussed in this books chapters. Names and locations are changed or omitted to protect the confidentiality of Lesters clients except for the famous ones. She writes about these as well: Goldie Hawns son, Charlotte Diamond, Andrea Collins (Phil Collins first wife), etc. The author also tells stories of the unusual parties (including an Arabian Nights bash ), weddings, bridal showers and birthday celebrations where she has done readings. She also relates her work experiences in metaphysical shops and tea rooms. The book includes information on how to do tea leaf readings including long distance ones , the history of tasseography, the dos and donts of the profession, how to interpret and communicate...
