

Energy, Politics and Public Policy,

By Walter A. Rosenbaum,

Congressional Quarterly, CQ Press, Washington, DC, 1981. Soft Cover/Good/Some Shelf Wea. Book Condition: Very Good/No Marks. 1st Edition Softcover, This is a Very Good Copy aside from a bit of shelf wear on the illustrated cover--"an unplugged Congress"--and a former owner's signature on the half-title page, this copy is in very good condition internally--no marks or signs of real or even imagined use. Energy and the politics of energy have dominated much of the public's thinking and the policy agenda in America since 1973. In this fascinating volume Rosenbaum explores how the American political system responds to energy policy issues and suggests some of the reasons for that often unique response.
