Createspace, United States, 2012. Paperback. Book Condition: New. 229 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.In the small book, Tricia s Musings, the author and poet, Tricia Culligan takes the reader on a fascinating journey offering peace and hope, especially during these troubled times. Page after page unfolds showing the importance of family, the necessity and joy of friendship, the salvation (at times) of humor, and the special wisdom offered by children. Through memories past and present, the reader glimpses laughter, sorrow, insights from past lives long forgotten, and the strength offered to continue each day stronger and wiser. A special section of short stories, poems and dreams contributed from friends adds an interesting insight to the diversity of thought. This book will challenge the reader to contemplate the complexities of the human soul, to consider the connectedness of each to the other, and to rest in the sacredness of the stillness. But most importantly, this small treasure enlightens the seeker to the joy offered, no matter what, in this journey we call Life.
