After her parents died in a car accident when she was just a child, Evelyn Lakewood was left alone in the world. Now grown up, she enrolls at Oxford University, where she begins to create a new, stable life. But when she encounters Jared Calmburry, who she later discovers is an orphan with his own tragic history, the equilibrium she was striving for is thrown off. Instantly drawn to this mysterious stranger with the incredible blue eyes, and confounded by the unusual events that occur whenever they meet, Evelyn resolves to investigate further. What she finds will startle her beyond measure: an ancient legacy of magic, a centuries-old secret society, and a foreboding legend with her and Jared at its center. As she follows a cryptic trail, Evelyn will discover clues to her own painful past, answers she hadn't even been looking for and a passionate love she cannot resist despite the dangers it brings.
