Xlibris Corporation, United States, 2010. Hardback. Book Condition: New. 231 x 152 mm. Language: English . Brand New Book ***** Print on Demand *****.The book contains three parts. Part 1: Adam was an auto worker; he wanted to take a long vacation before his retirement. He wanted to make his soul searching trip on his car named Rudy. He wanted to figure out his life for the last time. Adam, his son Cady and his daughter-in-law Elena and his grand daughter Mothi took the road trip to California. They did a lot of camping and fishing. Adam talks about the evolution of life form as he understood. Part 2: They talked about various philosophies as they went thru the trip. Adam told many stories to explain his concepts. He talks about individualism, socialism and communism from the existence point of view. He talks about the logic for religious philosophy. He explains that the process of looking beyond the individual or social or communalism is the basis for religion. It is a process for looking beyond our lives. He also explains that the most common hurdle that you face in the thought process of science or philosophy (rationale) is the entity called Conflict. We do not face such hurdle in the religious thought process. It is beyond the bounds of existence and hence we do not have the bounds of existence and hence the entity of conflict disappears. He also talks about the human intuition. He talks about how to develop the human intuition, which is useful to form large patterns as well as to understand large patterns, without the complete rationale (understanding). He touches on the topic of Order and Chaos. He talks on the subject beyond the classical analysis of a broken cup and its implication on physics. He...
