Reviews

It becomes an awesome publication that I actually have actually read. It really is written in simple terms and not difficult to understand. Once you begin to read the book, it is extremely difficult to leave it before concluding.

Brand New Book ***** Print on Demand *****.Essentially Questioning God is an outreach to people of various levels of belief and faith to try to come to a cohesive understanding of the complexities of life. It takes a look at essential theological questions from the different aspects of belief and non-belief. The great questions of Why is this thus? What is the reason for this thusness? (Artemus Ward) are brought to mind. The questions discussed here have troubled believers and non-believers for generations. Questions like if there were a God how could He have let this happen? and what is really out there? are immensely addressed from deism, theism, agnosticism, atheism to pantheism perspectives. .
