Book Venture Publishing LLC, United States, 2014. Paperback. Book Condition: New. 216 x 216 mm. Language: English . Brand New Book ***** Print on Demand *****.The book tells the story of FIFD (Fly in Fly Out) life as told through the eyes of a young girl. It s about the ups and downs of missing her Daddy and the value of the small things like quality time together that make all the difference. The book focuses on how to feel positive and happy even when we miss someone and how to share our lives even when we are a plane ride apart. Books are a great way to talk to kids about difficult issues. The intention of this book is to help kids better understand the very complicated emotions they may feel from having a parent work away for weeks at a time. My FIFD Daddy was inspired by Aimee, Rory and their children s experiences of FIFD life in Western Australia. Aimee s aunt, Kaethe, donated her beautiful paintings for the book s illustrations. It is a very personal project and they hope the book makes a difference in the lives of other FIFD families.
